Quarterly Newsletter  
2<sup>nd</sup> Quarter 2025

Hey, wanna learn how to make your own quilt? Great! I'd be happy to teach you.

Got a machine you don't know how to operate? No problem! Come join my class and we'll figure it out together.

I love quilting and I'd love to teach you all of my tips and tricks and of course some safety rules as well.

Sign up for my class and I'll send you a supply list. There's no cost for these classes but donations are welcome.

Let's have some fun!
